No. Aff./ICC/ (2022-23)/04 / of 2022

C I R C U L A R

Sub:- Invite the Proposal for conducting one-day workshop at Department of Statistics on the campus of Universities/ College during current FY 2022-23-Reg.

Ref:- Circular No. Y-11011/ 27/ 2018-19/ Workshop/ NSSTA, Dated 01/04/2022 of the Government of India.

The Principals of all affiliated Arts, Commerce & Science colleges are hereby informed that as per referred circular, As you may be aware, National Statistical Systems Training Academy (NSSTA) is central training institute of the Ministry of Statistics and Program Implementation (M/o SPI), Government of India. It was established, based on the recommendations of the National Statistical Commission, in the year 2009 for capacity building in official statistics and related areas. NSSTA conducts two-year probationary training of Indian Statistical Service (ISS) officers, induction training for newly recruited Sub- Ordinate Statistical Service Officers refresher training programmes for ISS officers, training programmes in various areas of official statistics for officers of State/ UT Governments and programmes for participants from other countries.

- 2 NSSTA has been interacting with Universities, particularly the Statistics Departments, with a view to familiarize the faculty and students with various aspects of official Statistics and the role statisticians play in planning and developmet process of the country. The interaction aims at motivating faculty and students to greater interest in applied and official statistics. Some Universities have also stated a module on official statistics in their PG Programme.
- 3 NSSTA, in the aforesaid endeavor, has been conducting each year one- day awareness seminars on National Statistical System and Role of National Statistics Office at Department of Statistics on Campus of Indian Universities for creating awareness about Official Statistics and Indian Statistical System. The topic usually includes a talk on Official Statistical System in India and prospects for students in the field of Statistics in the Government and a lecture on any specific/ general field of Official Statistics. NSSTA provide technical and financial assistance for such seminar.
- 4 Therefore, in the current FY i.e. 2022-23, it is requested to kindly convey your consent and provide the cost proposal with a tentative schedule to conduct the aforesaid programme (online/ offline mode) at your Department on University/ College Campus for an estimated 150 participants. It is to inform that TDS shall be deducted at the point of source of payment as per government norms unless TDS exemption certificate is rovided. You are also requested to inform to your Neighbour / Affiliated colleges about agoresaid programme.

-2-

- 5 It may be noted that dated and tentative programme of the aforesaid programme may be finalized with mutual convenience once the requisite approvals are obtained. An early reply, latest by 25-04-2022, is required to enable us to timely process for necessary approval. The proposal for the aforesaid programme may please be send to NSSTA at ddl.nssta@mospi.gov.in.
- 6 In view of above, for any further clarification, the undersigned may be contacted at email Id: ddl.nssta@mospi.gov.in, Mobile No:- 9993090125. We shall be happy to provide any additional information, if required.

Kindly do the needful in the above matter

States/ UTs, India

Subject: Invite the Proposal for conducting one-day workshop at Department of Statistics on the campus of Universities/ Colleges during current FY 2022-23-Reg.

Sir/Madam,

As you may be aware, **National Statistical Systems Training Academy (NSSTA)** is a central training institute of the Ministry of Statistics and Program Implementation (M/o SPI), Government of India. It was established, based on the recommendations of the National Statistical Commission, in the year 2009 for capacity building in official statistics and related areas. NSSTA conducts two-year probationary training of Indian Statistical Service (ISS) officers, induction training for newly recruited Sub-Ordinate Statistical Service Officers, refresher training programmes for ISS officers, training programmes in various areas of official statistics for officers of State/ UT Governments and programmes for participants from other countries.

2. NSSTA has been interacting with Universities, particularly the Statistics Departments, with a view to familiarize the faculty and students with various aspects of Official Statistics and the role statisticians play in planning and development process of the country. The interaction aims at motivating faculty and students to greater interest in applied and official statistics. Some Universities have also started a module on official statistics in their PG Programme.

3. NSSTA, in the aforesaid endeavour, has been conducting each year **one-day awareness seminars on National Statistical System and Role of National Statistics Office** at Department of Statistics on Campus of Indian Universities for creating awareness about Official Statistics and Indian Statistical System. The topic usually includes a talk on Official Statistical System in India and prospects for students in the field of Statistics in the Government and a lecture on any specific/ general field of Official Statistics. NSSTA provide technical and financial assistance for such seminar.

4. Therefore, in the current FY i.e. 2022-23, it is requested to kindly convey your consent and provide the cost proposal with a tentative schedule to conduct the aforesaid programme (online/offline mode) at your Department on University/ College Campus for an estimated 150 participants. It is to inform that TDS shall be deducted at the point of source of payment as per government norms unless TDS exemption certificate is provided. You are also requested to inform to your Neighbour/ Affiliated colleges about aforesaid programme.
